## **REASONS FOR ALLOWANCE**

### ***Action Background***

1. This action is responsive to the Request for Continued Examination, filed on 2/13/2009.
2. No claims were amended with this response. This response is directed toward the submittal of three (3) Information Disclosure Statements.
3. Claims 1-10 and 13-45 are pending in the case, claims 1, 18 and 31 are independent claims. These claims were allowed in the office action dated 11/13/2008.
4. A request for continued examination filed under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after an allowance. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office Action (dated 11/13/2008) has been withdrawn pursuant to 37 CFR 1.114.
5. The submission of Information Disclosure Statements filed 2/13/2009, 2/25/2009 and 2/25/2009 respectively, is acknowledged.

***Reasons for Allowance***

6. As was previously noted, the following is an examiner's statement of reasons for allowance:

**Regarding independent claims 1, 18 and 31**, the prior art of record neither anticipates nor suggests to a person of ordinary skill, at the time the invention was made, the claimed method, computer-readable medium or display for displaying spreadsheet objects, comprising assigning a first screen designation code to a first portion of a spreadsheet object, said first screen designation code associated with a first display screen of a multi-component display; assigning a second screen designation code to a second portion of said spreadsheet object, said second screen designation code associated with a second display screen of said multi-component display; and simultaneously displaying said first and second portions of said spreadsheet object in accordance with said first and second screen designation codes, wherein said simultaneously displaying further comprises simultaneously displaying said first and second portions of said spreadsheet object on a respective display screen of said first and second display screens, wherein said simultaneously displaying comprises generating said first and second portions of said spreadsheet object using at least one pixel of said first display screen and at least one pixel of said second display screen.

It is important to note that multi-component display screen claimed, containing at least a first and second display screen is a single physical device that incorporates

the multiple displays placed one on top of the other in a transparent relationship - see the originally filed specification at page 4, lines 6-9.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory J. Vaughn whose telephone number is (571) 272-4131. The examiner can normally be reached Monday to Friday from 8:00 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen S. Hong can be reached at (571) 272-4124. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
